

## BROADVIEW GRAND OPENING

May 28, 2022

“Protecting the past, playing for the future”

2pm – 9pm

You are invited to join CUSA as we celebrate the Grand Opening of Broadview’s newly constructed facility that will serve the Calgary soccer community for years to come. We have an afternoon of games, entertainment, and refreshments to celebrate the completion of the project and to celebrate the game in our city.

Games will feature clubs from across the Calgary soccer community participating in exhibition matches representing a cross section of local programs, with a nod to our lengthy history.

Bring chairs, blankets. No outside food, and please leave your dogs at home. Hope to see you there! Open to members and invited guests only.
